RECITALS

- A. The summons in this action was served upon Defendants on March 29, 2010. Defendants' responsive pleading was originally due on April 19, 2010.
- В. The parties have previously stipulated to extend the deadline for Defendants to file a responsive pleading to the Complaint to May 10, 2010 and then again to June 7, 2010, in order to explore potential settlement.
- C. Defendants require additional time to arrange for the substitution of new counsel and for new counsel to prepare an answer to the Complaint.
- D. Plaintiff has agreed to grant Defendants a short extension of eight (8) additional days from June 7, 2010 to answer the Complaint.
- E. This additional extension will not alter the date of any event or any deadline already fixed by Court order pursuant to Civil Local Rule 6-1(a), and therefore does not require a court order in connection with this stipulation.
